Good morning all!

The weather wasn't the greatest last week for all of the physical activities but if you managed to even partially fill in your **activity record** I would love to see that! I would still like to receive some more **jokes** via audio clip (not a video) as I'm going to try and compile them together!

This is the 2nd week of the Rainbow Moments from the Weaving Wellbeing at Home journal. Please email me your **rainbow moments** from the past 2 weeks. This is a good activity to continue 2-3 times per week as it helps to focus our minds on positive things, even when life might seem a bit of a struggle or things don't seem to go our way.

I love to see more **photos** of the boys working and engaging in different learning activities so please send me some!

For Maths this week I am assigning assessments from Planet Maths scheme. There will be topics the boys haven't covered, although I have tried to cover all chapters that are possible to cover through distance learning! They will naturally have forgotten how to do some of the questions too but give it a go. Don't stress! I will upload answers at the end of the week but it might give an indication of where the boys need further help with. I will also upload extra printable sheets based on all maths topics so if there is a particular area of concern, there are one or 2 sheets to continue working on to help or please email me!

Book rental books (Busy at Maths, Reading Zone, Béal Beo, atlases, dictionaries) and any **library** books are to be returned to the school Tuesday. Ms. Burke will contact you with details soon. Please check at home for library books (or in schoolbags!) and ensure these are returned.

I am adding the Covid Time Capsule to the weekly work schedule. I attached this link previously so some of you may have completed parts of it already. It might be a nice keepsake for future reference when things return to normal! It is not necessary to email me the completed version unless you wish!<https://havenpharmacy.ie/wp-content/uploads/2020/04/My-Covid-19-Time-Capsule-1.pdf>

Please remember to check the blog for updates and links throughout the week!

If you have any questions, queries or suggestions please don't hesitate to contact me.

Stay safe everyone,

Ms. Gerrard
