Wednesday April 29th

- **Mental Maths** unit 32 Wednesday & problem solving
- **Léigh sa Bhaile** lch 95 Read aloud 2 - 3 times, orally answer na ceisteanna
- **Music:** Listen to song 'Three Little Birds' by Bob Marley a few times and join in with the song, tune & lyrics here <https://www.youtube.com/watch?v=F4sNi2PuiWM>

For those of you still playing ukulele you can try play along here <https://www.youtube.com/watch?v=fPlyhjSxdEY>

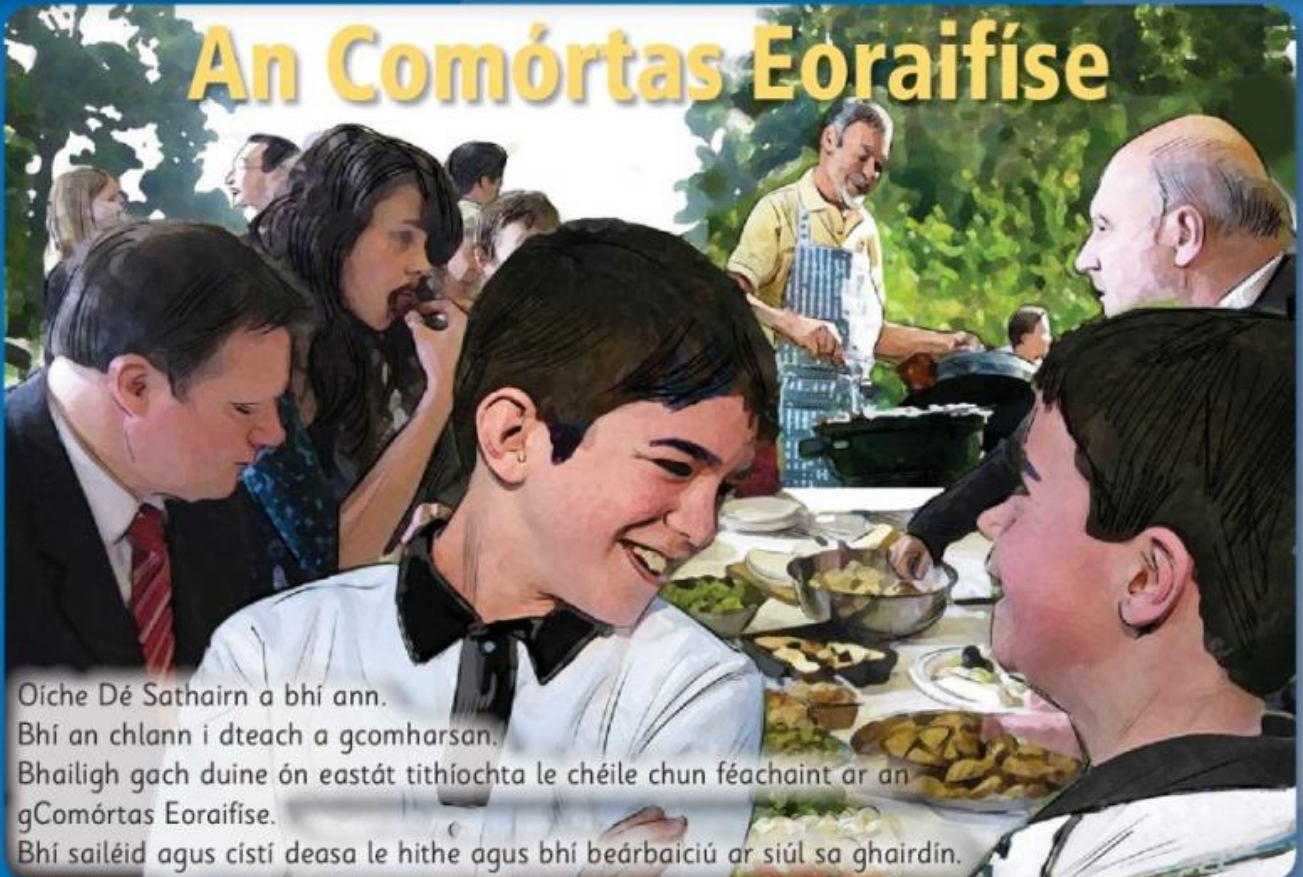

You may need to learn this new chord of G7 first:

- **Busy at Maths** pg 172. Answer Q1 and Q2 in the book. For Q3 my advice would be to change the decimals into mL before you start. Write the mL beside it so you don't forget. It just makes it easier when colouring in on the jug.
- **Medicine Through the Ages:** Read pgs 40 and 41 https://www.folens.ie/sites/default/files/bulk_upload/Explorers/EX_05_H_SB_07.pdf

I want you to research a person who had an important role in medicine. You could pick Florence Nightingale, Marie Curie or Alexander Fleming. Maybe there is someone else you would prefer to research. Prepare a mini factfile about this person. Don't forget colour to make it eye – catching, put the information into your own words, correct spellings and a little sketch of the person! You will work on this today, tomorrow and Friday. Try to do little bits every day.

An Comórtas Eoraifíse

Oíche Dé Sathairn a bhí ann.
Bhí an chlann i dteach a gcomharsan.
Bhailigh gach duine ón eastát tithíochta le chéile chun féachaint ar an gComórtas Eoraifíse.
Bhí sailéid agus cistí deasa le hithe agus bhí beárbaiciú ar siúl sa ghairdin.

Phioc gach duine tír chun tacaíocht a thabhairt di.
Bhí an-chuid amhrán iontach ann.
Rinne gach duine bualadh bos nuair a chan Éire.
Sa deireadh bhí an bua ag An Spáinn.
Bhí Mamaí ar bis mar roghnaigh sí an Spáinn ag tús na hoíche.
